

OUR CABIN LIFT WITH AUTOMATIC RUN

Aritco 9000 Datasheet 2021

Aritco 9000 is our cabin lift for the accessibility market. The lift is designed to meet all requirements for quality, safety and service. It is a perfect fit for tough and demanding environments such as schools, shops and residential buildings.

Several advantages offered by Aritco 9000:

- Design, sizes and options tailored to public environments
- 'A' rated energy consumption according to VDI4707
- 95% recyclable materials
- Patented screw/nut technology (no oil that can leak)
- The lowest maintenance and operating costs on the market
- Cabin control: Automatic "one-touch"
